Dan,

Attached is the amendment as we discussed - I raised your equity piece from 3/4% (previously) to 1% for the 50k. I won't be able to give any more equity away at this rate so this is going to have to be the last such deal on this anyway. Hopefully, your performance will turn around and by the end of the year, between RCA and other efforts, we'll have some serious investors.

Can we please sign this tonight and wire tomorrow, as I have to pay the bills?

Thanks again Dan - let's hang in there and be patient - it's only a matter of time before people realize your/our added value, especially if you kick some beehind between now and year end.

Best,

George Szele
